PLANS NATIONAL SCIENTIFIC INSTITUTE

USSR GUIDE FOR RESEARCH -- Nan-ch'iao Jih-mo, 28 Sep 49

The National Research Institute in Shang-hai held a meeting of members and technicians on 22 September to discuss forming a national scientific institute. They agreed that scientific research in the new China should be patterned after that of the USSR, with study of needs and planned research closely linked with research on production, national defense, economic matters, and reconstruction. On 23 September, Huang Tsung-chen (Ueda: 14693, 2322, 7437) went to Pei-p'ing to present the records of the meeting to the new government.

PAPER MOVES TO KUANG-CHOU -- Wen-hui Pao, 16 Oct 49

Hong Kong -- The Hua-shang Pao of Hong Kong ceased publication today, due partly to the fact that the Nationalist government reactionaries prohibited its circulation in Kuang-chou, and partly because, with the occupation of Kuang-chou by the People's government, it feels it a patriotic duty to return to Chinese soil and continue to assist in the revolutionary struggle.
